

**MARCH**

**3**

**2018**

**CLG  
GARDENING 101  
WORKSHOP**

**Join us to learn how to plan a Spring & Summer garden that will be easy to maintain. Topics include garden layout, watering options & soil preparation. Herbs & flowers that are good vegetable companions and alternatives in pest management will also be discussed.**

**(Plus a Presentation on Succulents)**

**Reedley Community Center  
9:00 am to 11:00 am**

**This program will be taught by UCCE Master Gardeners of Fresno County. Plan to get great information. Open to Gardeners of all levels & ages. Free. Refreshments will be served.**
