CLG FAMILY GARDENING DAY

All Volunteers are invited to join us as we spend the morning at the Garden preparing garden plots and planting our Spring & Summer vegetables.

**Community Life Garden
22899 E. Manning Ave, Reedley
7:30 am to 12:00 pm**

Volunteers will be planting to help expand our Food Giving Program. Volunteers can bring their family, friends and work clothes. If you have them, also bring your work gloves and a metal rake or shovel. We will provide coffee, breakfast, snacks and drinks for all our volunteers.
